1.7 Application of Listing Rules

In this Constitution, a reference to the Listing Rules only applies while the Company is on the official list of ASX.

While the Company is on the official list of ASX:

- (a) despite anything contained in this Constitution, if the Listing Rules prohibit an act being done, the act must not be done;
- (b) nothing contained in this Constitution prevents an act being done that the Listing Rules require to be done;
- (c) if the Listing Rules require an act to be done or not to be done, authority is given for that act to be done or not to be done as the case may be;

- (f) if any provision of this Constitution is or becomes inconsistent with the Listing Rules, this Constitution is taken not to contain that provision to the extent of the inconsistency.

1.8 Application of Telstra Act

Despite anything in this Constitution, the Telstra Act applies to the governance of the Company, and where a provision of this Constitution is inconsistent with a provision of the Telstra Act, the Telstra Act applies to the exclusion of this Constitution to the extent of the inconsistency.

1.9 Submission to jurisdiction

Each Member submits to the non-exclusive jurisdiction of the Supreme Court of the State or Territory in which the Company is taken to be registered for the purposes of the Act, the Federal Court of Australia and the courts which may hear appeals from those courts.

2 Share capital

2.1 Directors to issue shares

The issue of shares in the Company is under the control of the Directors who may:

- (a) issue, allot and cancel or otherwise dispose of shares in the Company;
- (b) grant options over unissued shares in the Company;
- (c) determine the terms on which shares are issued or options granted, the rights and restrictions attached to them, and the persons to whom they are issued; and
- (d) settle the manner in which fractions of a share, however arising, are to be dealt with,

subject to the Corporations Act, the Listing Rules, this Constitution and any special rights conferred on the holders of any shares or class of shares.

2.2 Preference shares

The Company may issue preference shares, and issued shares may be converted into preference shares, provided that the rights of the holders of the preference shares with respect to the repayment of capital, participation in surplus assets and profits, cumulative or non-cumulative dividends, voting and priority of payment of capital and dividends in relation to other shares or other classes of preference shares are:

- (a) as set out in Schedule 1; or
- (b) as approved by a resolution of the Company in accordance with the Corporations Act.

The rights of holders of preference shares issued by the Company other than pursuant to Schedule 1, but in accordance with the Corporations Act, are determined by the terms of issue of those preference shares and the relevant resolution of the Company and are not determined or affected by the rights set out in Schedule 1.

Subject to the Corporations Act and the Listing Rules, the Company may issue preference shares which are, or are at the option of the Company to be liable, to be redeemed or to be converted into other shares on such conditions and in such a manner as the Directors decide under the terms of issue of the preference shares.

Subject to the Corporations Act and the Listing Rules, the Company may issue any combination of fully paid, partly paid or unpaid preference shares.

Despite this article 2.2 and Schedule 1, the Company may not issue a preference share that confers on the holder rights that are inconsistent with those specified in the Listing Rules, except to the extent of any waiver or modification of the Listing Rules by ASX.

2.3 Variation of class rights

- (a) The rights attached to any class of shares may, unless their terms of issue state otherwise, be varied:
 - (i) with the written consent of the holders of 75% of the issued shares of the class; or
 - (ii) by a special resolution passed as a separate meeting of the holders of shares of the class.
- (b) The rights conferred on the holders of any class of shares are to be taken as not having been varied by the creation or issue of further shares ranking equally with them (unless otherwise determined by the Directors in the terms of issue of the existing shares).

2.4 Class meetings

The provisions of this Constitution relating to general meetings apply so far as they are capable of application and with any necessary changes to every separate meeting of the holders of a class of shares except that:

- (a) a quorum is constituted by at least 2 persons who, between them, hold or represent not less than 10% of the issued shares of the class (unless only one person holds all the shares of the class, in which case that person constitutes a quorum); and
- (b) any holder of shares of the class, present in person or by proxy, or attorney or Representative, may demand a poll.

2.5 Non-recognition of interests

Except as required by law, the Company is not required to recognise:

- (a) a person as holding a share on any trust; or
- (b) any other interest in any share or any other right in respect of a share except an absolute right of ownership by the registered holder,

whether or not it has notice of the trust, interest or right.

2.6 Joint holders of shares

Where 2 or more persons are registered as joint holders of any shares, then they are taken to hold the shares as joint tenants with rights of survivorship. However, the Company is not bound:

- (a) to register more than 3 persons as joint holders of a share (except where they are jointly entitled to a share because of the death, bankruptcy or mental incapacity of a Member, or where required by the Listing Rules or Operating Rules); or
- (b) to issue more than one certificate or holding statement for shares jointly held.

2.7 General powers relating to shares

The Directors may, to the extent permitted by law or the terms of issue of a share:

- (a) exempt a share from all or part of any of articles 3, 4 or 5;
- (b) waive or compromise all or any part of any payment due to the Company under any of articles 3, 4 or 5; or
- (c) accept a surrender of a share by way of compromise of a claim (in which case the share may be sold, reissued or otherwise disposed of in the same manner as a forfeited share).

3 Lien

3.1 Lien on share

To the extent permitted by law, the Company has a first and paramount lien on every share for:

- (a) all due and unpaid calls and instalments in respect of that share;
- (b) all money which the Company is required by law to pay, and has paid, in respect of that share;
- (c) interest at the Prescribed Interest Rate on the amount due from the date it becomes due until payment; and
- (d) reasonable expenses of the Company in respect of any default on payment.

3.2 Lien on distributions

A lien on a share under article 3.1 extends to all distributions for that share, including dividends.

3.3 Extinguishment of lien

The Company's lien on a share is extinguished if a transfer of the share is registered without the Company giving notice of the lien to the transferee, to the extent it relates to amounts owing by the transferor or a predecessor in title.

3.4 Company's rights to recover payments

A Member (or if the Member is dead, the Member's personal representative) must indemnify the Company on demand in writing for all payments the Company makes in respect of the Member, the death of a Member or the Member's shares or any distributions or other amounts due and payable on the Member's shares, including dividends, where the Company is either:

- (a) required by law to make the relevant payment; or
- (b) advised by a lawyer qualified to practice in the relevant jurisdiction that the Company is required by law to make the relevant payment.

The Company is not obliged to advise the Member in advance of its intention to make the payment.

3.5 Reimbursement is a debt due

The obligation of the Member to indemnify the Company is a debt due to the Company as if it were a call on all the Member's shares, duly made at the time when the written demand is given by the Company to the Member. The provisions of this Constitution relating to non-payment of calls, including payment of interest and sale of the Member's shares under lien, apply to the debt.

3.6 Sale under lien

Subject to article 3.7, the Company may sell, in any manner the Directors think fit, any share on which the Company has a lien.

3.7 Limitations on sale under lien

A share on which the Company has a lien may not be sold by the Company unless:

- (a) an amount in respect of which the lien exists is presently payable; and
- (b) the Company has, not less than 14 days before the date of sale, given to the registered holder of the share a notice setting out, and demanding payment of, the amount which is presently payable in respect of which the lien exists.

3.8 Transfer on sale under lien

For the purpose of giving effect to a sale under article 3.6, the Company may receive the consideration, if any, given for the share so sold and may execute a transfer of the share sold in favour of the purchaser of the share, or do all such other things as may be necessary or appropriate for it to do to effect the transfer. The purchaser is not bound to see to the application of the purchase money.

3.9 Irregularity or invalidity

The title of the purchaser to the share is not affected by any irregularity or invalidity in connection with the sale of the share under article 3.6.

3.10 Proceeds of sale

The proceeds of a sale under article 3.6 must be applied by the Company in payment of the amount in respect of which the lien exists as is presently payable, and the residue, if any, must be paid to the person entitled to the share immediately before the sale.

4 Calls on shares

4.1 Directors to make calls

The Directors may:

- (a) make calls on a Member in respect of any money unpaid on the shares of that Member, if the money is not by the terms of issue of those shares made payable at fixed times;
- (b) make a call payable by instalments; and
- (c) revoke, waive, or postpone a call, or extend the time for payment.

4.2 Time of call

A call is taken to be made at the time when the resolution of the Directors authorising the call is passed.

4.3 Members' liability

On receiving not less than 14 days' notice (or any other period required by the Listing Rules) specifying the time or times and place of payment, each Member must pay to the Company by the time or times, and at the place, specified in the notice the amount called on that Member's shares.

4.4 Joint holders' liability

The joint holders of a share are jointly and individually liable to pay all calls in respect of the share.

4.5 Non-receipt of notice

The non-receipt of a notice of any call by, or the accidental omission to give notice of a call to, a Member does not invalidate the call.

4.6 Interest on default

If a sum called in respect of a share is not paid before or on the day appointed for payment of the sum, the person from whom the sum is due must pay:

- (a) interest on the sum from the day it is due to the time of actual payment at the Prescribed Interest Rate; and
- (b) any costs, expenses or damages that the Company incurs by reason of that non-payment or late payment.

The Directors may waive payment of that amount wholly or in part.

4.7 Fixed instalments

Subject to any notice requirements under the Listing Rules, if the terms of a share make a sum payable on issue of the share or at a fixed date, this is taken to be a call duly made, notified and payable on the date on which, by the terms of issue, the sum becomes payable. In the case of non-payment, all the relevant provisions of this Constitution as to payment of interest and expenses, forfeiture or otherwise apply as if the sum had become payable by virtue of a call duly made and notified.

4.8 Differentiation between holders as to calls

The Directors may, on the issue of shares, differentiate between the holders of the shares as to the amount of calls to be paid and the times of payment.

4.9 Prepayment of calls and interest

The Directors may:

- (a) accept from a Member the whole or a part of the amount unpaid on a share even if no part of that amount has been called;
- (b) repay to a Member any amount accepted under article 4.9(a); and
- (c) authorise payment by the Company of interest on the whole, or any part, of an amount accepted under article 4.9(a) (and not repaid under article 4.9(b)), until the amount becomes payable, at such rate, not exceeding the Prescribed Interest Rate, as is agreed between the Directors and the Member paying the sum.

4.10 Proceedings to recover calls

In a proceeding to recover a call, or an amount payable due to the failure to pay or late payment of a call, proof that:

- (a) the name of the defendant is entered in the Register as the holder (or one of the holders) of the share on which the call is claimed;
- (b) the resolution making the call is recorded in the minute book; and
- (c) notice of the call was given to the defendant in accordance with this Constitution,

is conclusive evidence of the obligation to pay the call, and it is not necessary to prove the appointment of the Directors who made the call, or any other matter. In this article, a reference to a defendant includes a person against whom the Company alleges a set-off or counterclaim (and a reference to a proceeding is to be interpreted accordingly).

5 Forfeiture of shares

5.1 Notice requiring payment of call

If a Member fails to pay a call, or instalment of a call, on the day appointed for payment of the call or instalment, the Directors may give a notice to the Member requiring payment of so much of the call or instalment as is unpaid, together with any interest that has accrued and all costs and expenses that may have been incurred by the Company by reason of that non-payment.

5.2 Contents of notice

The notice must name a further day, which is at least 14 days from the date of service of the notice, on or before which the payment required by the notice is to be made and must state that, in the event of non-payment at or before the time appointed, the shares in respect of which the call was made will be liable to be forfeited.

5.3 Forfeiture for failure to comply with notice

If a notice under article 5.1 has not been complied with by the date specified in the notice, the Directors may by resolution forfeit the relevant shares, at any time before the payment required by the notice has been made.

5.4 Dividends and distributions included in forfeiture

A forfeiture under article 5.3 includes all dividends, interest and other distributions to be made in respect of the forfeited shares which have not been paid or distributed before the forfeiture.

5.5 Sale or re-issue of forfeited shares

Subject to the Corporations Act, a share forfeited under article 5.3 may be sold, re-issued or otherwise disposed of to such person and on such terms as the Directors think fit.

5.6 Notice of forfeiture

If any share is forfeited under article 5.3, notice of the forfeiture must be given to the Member holding the share immediately before the forfeiture and an entry of the forfeiture and its date must be made in the Register. Any failure to give notice or enter the forfeiture in the Register does not invalidate the forfeiture.

5.7 Surrender instead of forfeiture

The Directors may accept the surrender of any share which they are entitled to forfeit on any terms they think fit and any share so surrendered is taken to be a forfeited share.

5.8 Cancellation of forfeiture

At any time before a sale, re-issue or disposal of a share under article 5.5, the forfeiture of that share may be cancelled on such terms as the Directors think fit.

5.9 Effect of forfeiture on former holder's liability

A person whose shares have been forfeited:

- (a) ceases to be a Member in respect of the forfeited shares; and
- (b) remains liable to pay the Company all money that, at the date of forfeiture, was payable by that person to the Company in respect of the shares (including all calls, interests, costs and expenses), plus interest at the Prescribed Interest Rate from the date of forfeiture and the reasonable expenses of the sale of the shares, until the Company receives payment in full of all money (including interest and expenses) so payable in respect of the shares,

and forfeiture of a share extinguishes all rights attaching to and interests in the share, and any claims or demands against the Company relating to it.

5.10 Evidence of forfeiture or sale

A written statement declaring that the person making the statement is a Director or a Secretary, and that a share has been forfeited or sold, or otherwise disposed of in accordance with this Constitution on the date declared in the statement, is evidence of the facts in the statement as against all persons claiming to be entitled to the share.

5.11 Transfer of forfeited share

The Company may receive any consideration given for a share including a forfeited share on any sale, re-issue or disposal of the share under this Constitution and may execute or effect a transfer of the share in favour of the person to whom the share is sold, re-issued or disposed.

5.12 Registration of transferee

On the execution of the transfer, the transferee must be registered as the holder of the share and is not bound to see to the application of any money paid as consideration.

5.13 Irregularity or invalidity

The title of the transferee to the share is not affected by any irregularity or invalidity in connection with the forfeiture, sale, re-issue or disposal of the share.

6 Transfer of shares

6.1 Forms of instrument of transfer

Subject to this Constitution and the Listing Rules and any restrictions attached to the share, a share in the Company is transferable:

- (a) as provided by the Operating Rules of an applicable CS Facility; or
- (b) by any other method of transfer which is required or permitted by the Corporations Act and ASX.

6.2 Execution and delivery of transfer

If a duly completed instrument of transfer:

- (a) is used to transfer a share in accordance with article 6.1(b); and
- (b) is left for registration at the share registry of the Company, accompanied by any information that the Directors properly require to show the right of the transferor to make the transfer,

the Company must, subject to the powers vested in the Directors by this Constitution, register the transferee as the holder of the share.

6.3 Effect of registration

Except as provided by any applicable Operating Rules of a CS Facility, a transferor of a share remains the holder of the share transferred until the transfer is registered and the name of the transferee is entered in the Register in respect of the share.

6.4 Registration of forms

The Company must register all registrable transfer forms, split certificates, renunciations and transfers, issue certificates and transmission receipts and mark or note transfer forms. The Company may impose a charge in connection with registration where permitted by the Listing Rules.

6.5 Uncertificated Holdings

If and for so long as dealings in any shares take place under an Uncertificated Transfer System:

- (a) the Company need not issue any certificate in respect of Securities held as an Uncertificated Securities Holding; and
- (b) the share register may distinguish between Securities held in certificated form and Securities held as an Uncertificated Securities Holding.

6.6 Power to refuse to register

- (a) The Company (or the Company's securities registry) may put in place, and require compliance with, reasonable processes and procedures in connection with determining the authenticity of an instrument of transfer, notwithstanding that this may prevent, delay or interfere with the registration of the relevant instrument of transfer.
- (b) If permitted by the Listing Rules or the Corporation Act, the Directors may:
 - (i) request any applicable CS Facility Operator to apply a holding lock to prevent a transfer of shares in the Company from being registered on the CS Facility's subregister; or
 - (ii) refuse to register a transfer of shares in the Company to which paragraph (a) does not apply.

6.7 Obligation to refuse to register

The Directors must:

- (a) request any applicable CS Facility Operator to apply a holding lock to prevent transfer of shares in the Company from being registered on the CS Facility's subregister; or
- (b) refuse to register any transfer of shares in the Company to which paragraph (a) does not apply,
if:
 - (c) the Listing Rules require the Company to do so; or
 - (d) the transfer is in breach of the Listing Rules or a Restriction Agreement.

6.8 Written notice to security holder of holding lock or refusal

If in the exercise of their rights under articles 6.6 and 6.7 the Directors request application of a holding lock to prevent a transfer of shares in the Company or refuse to register a transfer of shares they must give written notice of the request or refusal to the holder of the shares, the transferee and any broker lodging the transfer. Failure to give notice does not invalidate the decision of the Directors.

6.9 Company to retain instrument of transfer

The Company must retain every instrument of transfer which is registered for the period required by any applicable law.

7 Transmission of shares

7.1 Transmission of shares on death

If a Member who does not hold shares jointly dies, the Company will recognise only the personal representative of the Member as being entitled to the Member's interest in the shares. The estate of the Member is not released from any liability in respect of the shares.

7.2 Information given by personal representative

- (a) If the personal representative of the Member who has died gives the Directors the information they reasonably require to establish the representative's entitlement to be registered as a holder of the shares:
 - (i) the personal representative may:
 - (A) by giving a signed notice to the Company, elect to be registered as the holder of the shares; or
 - (B) by giving a completed transfer form to the Company, transfer the shares to another person; and
 - (ii) the personal representative is entitled, whether or not registered as the holder of the shares, to the same rights as the Member.
- (b) On receiving an election under article 7.2(a)(i)(A), the Company must register the personal representative as the holder of the shares.
- (c) A transfer under article 7.2(a)(i)(B) is subject to the articles that apply to transfers generally.

7.3 Death of joint owner

If a Member who holds shares jointly dies, the Company will recognise only the survivor as being entitled to the Member's interest in the shares. The estate of the Member is not released from any liability in respect of the shares.

7.4 Transmission of shares on bankruptcy

- (a) If a person entitled to shares because of the bankruptcy of a Member gives the Directors the information they reasonably require to establish the person's entitlement to be registered as the holder of the shares, the person may:
 - (i) by giving a signed notice to the Company, elect to be registered as the holder of the shares; or
 - (ii) by giving a completed transfer form to the Company, transfer the shares to another person.
- (b) On receiving an election under article 7.4(a)(i), the Company must register the person as the holder of the shares.
- (c) A transfer under article 7.4(a)(ii) is subject to the articles that apply to transfers generally.
- (d) This article has effect subject to the *Bankruptcy Act 1966* (Cth).

7.5 Transmission of shares on mental incapacity

- (a) If a person entitled to shares because of the mental incapacity of a Member gives the Directors the information they reasonably require to establish the person's entitlement to be registered as the holder of the shares:
 - (i) the person may:
 - (A) by giving a signed notice to the Company, elect to be registered as the holder of the shares; or
 - (B) by giving a completed transfer form to the Company, transfer the shares to another person; and
 - (ii) the person is entitled, whether or not registered as the holder of the shares, to the same rights as the Member.
- (b) On receiving an election under article 7.5(a)(i)(A), the Company must register the person as the holder of the shares.
- (c) A transfer under article 7.5(a)(i)(B) is subject to the articles that apply to transfers generally.

7.6 Transmission of shares to joint holders

Where two or more persons are jointly entitled to be registered pursuant to articles 7.1, 7.4 or 7.5, they will be taken to hold the shares as joint holders and article 2.6 will apply.

7.7 Transfer despite transmission event

The Directors may register a transfer of shares signed by a Member before death, bankruptcy or mental incapacity, even though the Company has notice of that matter.

8 General meetings

8.1 Annual general meeting

Annual general meetings of the Company are to be held in accordance with the Corporations Act.

8.2 Convening a general meeting

The Directors may convene and arrange to hold a general meeting of the Company whenever they think fit and must do so if required to do so under the Corporations Act.

8.3 Use of technology at general meetings

- (a) Subject to any applicable law:
 - (i) the Company may hold a meeting of Members using any technology approved by the Directors that give the Members as a whole a reasonable opportunity to participate; and
 - (ii) a meeting conducted using such technology may be held at multiple venues or not held at any specified venue,

and participation in such a meeting will constitute presence as if in person at such a meeting.

- (b) If, before or during a meeting of Members, any technical difficulty occurs, such that the Members as a whole do not have a reasonable opportunity to participate, the chairman may:
 - (i) adjourn the meeting until the difficulty is remedied; or
 - (ii) where a quorum remains present (either at the place at which the chairman is present or by technology as contemplated by article 8.3) and able to participate, subject to the Corporations Act, continue the meeting.

8.4 Notice of general meeting

- (a) Notice of a general meeting must be given in accordance with article 18, the Corporations Act and the Listing Rules.
- (b) The content of a notice of general meeting called by the Directors is to be decided by the Directors but it must state the general nature of the business to be conducted at the meeting and any other matters required by the Corporations Act, the Listing Rules or this Constitution.

8.5 Calculation of period of notice

In computing the period of notice under article 8.4, both the day on which the last notice to Members is given or taken to be given and the day of the meeting convened by it are to be disregarded.

8.6 Cancellation or postponement of a meeting

- (a) Where a general meeting (including an annual general meeting) is convened by the Directors they may by notice, whenever they think fit, cancel the meeting or postpone the holding of the meeting to a date and time determined by them or change the place (if any) for the meeting.
- (b) This article 8.6 does not apply to a meeting convened in accordance with the Corporations Act by a single Director, by Members, by the Directors on the request of Members or to a meeting convened by a court, without the prior written consent of the person who called or requisitioned the meeting.

8.7 Notice of cancellation or postponement of a meeting

Notice of cancellation or postponement or change of place of a general meeting must state the reason for cancellation or postponement and be:

- (a) published in a daily newspaper circulating in Australia;
- (b) given to ASX; or
- (c) subject to the Corporations Act and the Listing Rules, given in any other manner determined by the Directors.

8.8 Business at postponed meeting

The only business that may be transacted at a postponed general meeting is the business specified in the original notice convening the meeting.

8.9 Proxy, attorney or Representative at postponed meeting

Where by the terms of an instrument appointing a proxy or attorney or an appointment of a Representative:

- (a) the appointed person is authorised to attend and vote at a general meeting or general meetings to be held on or before a specified date; and
- (b) the date for holding the meeting is postponed to a date later than the date specified in the instrument of proxy, power of attorney or appointment of Representative,

then, that later date is substituted for and applies to the exclusion of the date specified in the instrument of proxy, power of attorney or appointment of Representative unless the Member appointing the proxy, attorney or Representative gives to the Company at its Registered Office written notice to the contrary not less than 48 hours before the time to which the holding of the meeting has been postponed.

8.10 Non-receipt of or defective notice

- (a) If a person entitled to receive a notice of general meeting, a proxy form, or a notice of the cancellation, postponement or re-location of a general meeting:

- (i) does not receive it; or
- (ii) is not given it due to an accidental omission,

that failure does not invalidate any resolution passed at the general meeting, or at the postponed or relocated meeting.

- (b) A person who attends a general meeting waives any objection the person may have to:
 - (i) any failure to give notice, or the giving of a defective notice, of the meeting unless at the start of the meeting the person objects to the holding of the meeting;
 - (ii) any failure to give a proxy form, or the giving of a defective proxy form; and
 - (iii) the consideration of a particular matter which is not within the business referred to in the notice of meeting, unless the person objects to the consideration of the matter when first presented.

8.11 Director entitled to notice of meeting

A Director is entitled to receive notice of and to attend all general meetings and all separate meetings of the holders of any class of shares in the capital of the Company and is entitled to speak at those meetings.

8.12 Proxy, attorney or Representative appointments

 - (iii) by not more than 2 attorneys,
- unless otherwise determined by the Directors.
- (b) A proxy, attorney or Representative may, but need not, be a member of the Company.
 - (c) An instrument appointing a proxy, attorney or Representative is valid if it is in accordance with the Corporations Act or in any form (including electronic) and received at any time that the Directors prescribe or accept, or the chairman of a general meeting accepts.
 - (d) Where a notice of meeting provides for electronic lodgement of proxy, direct vote, attorney or Representative appointments, an appointment received at the electronic address or by the electronic means specified in the notice is taken to have been received at the registered office of the Company and validated by the Member if there is compliance with the requirements set out in the notice or is otherwise authenticated in accordance with the Corporations Act.
 - (e) If the Company receives an instrument or form recording a direct vote or appointing a proxy, attorney or Representative from a Member and the Directors consider that it is not properly executed or authenticated, or is incomplete or unclear:
 - (i) if the name, or the name of the office, of the proxy, attorney or Representative, is not filled in or is unclear, then:
 - (A) the proxy, attorney or Representative of that Member is the person specified by the Company in the instrument or form of proxy; or
 - (B) if no person is specified by the Company, then the proxy, attorney or Representative will be the chairman of that meeting;
 - (ii) if the instrument or form has not been duly signed or authenticated, then the Company may (at its discretion) return the instrument or form to the appointing Member and request the Member sign or authenticate the instrument or form and return it to the Company within a period determined by the Directors (which may be later than the time specified in the notice of meeting for the receipt of direct votes or proxy appointments);
 - (iii) if the instrument or form is otherwise unclear or incomplete, the Company may:
 - (A) by oral or written communication, clarify with the Member any instruction on the appointment; and
 - (B) complete or amend the contents of any instrument or form to reflect the clarification in the instructions received from the Member (which may occur later than the time specified in the notice of meeting for the receipt of direct votes or proxy appointments) and the Member appoints the Company as its attorney for this purpose.

9 Proceedings at general meetings

9.1 Membership at a specified time

The Directors may determine, for the purposes of a particular general meeting, that all the shares that are quoted on ASX at a specified time before the meeting are taken to be held at the time of the meeting by the persons who hold them at the specified time. The determination must be made and published in accordance with the Corporations Act.

9.2 Number for a quorum

- (a) Subject to article 9.5 and any applicable law, the quorum for a general meeting is 3 Members present in person, by proxy, attorney or Representative. In determining whether a quorum is present, each individual attending as a proxy, attorney or Representative is to be counted, except:
 - (i) where a Member has appointed more than one proxy, attorney or Representative, only one is to be counted; and
 - (ii) where an individual is attending both as a Member and as a proxy, attorney or Representative, that individual is to be counted only once.
- (b) A Member placing a direct vote under article 9.25 is not taken into account in determining whether or not there is a quorum at a general meeting.
- (c) Where a meeting is conducted using technology approved by the Directors under this Constitution, and where permitted by law, the 3 Members referred to in article 9.2(a) need not be physically present at the same place (or at any place).

9.3 Requirement for a quorum

- (a) An item of business may not be transacted at a general meeting (other than to elect a chairman or adjourn the meeting) unless a quorum is present when the meeting proceeds to consider it.
- (b) If a quorum is present at the time the first item of business is transacted, it is taken to be present when the meeting proceeds to consider each subsequent item of business unless the chairman of the meeting (on the chairman's own motion or at the request of a Member, proxy, attorney or Representative who is present) declares otherwise.

9.4 If quorum not present

If within 30 minutes after the time appointed for a meeting a quorum is not present, the meeting:

- (a) if convened by a single Director, or at the request of Members, is dissolved; and
- (b) in any other case, stands adjourned to the same day in the next week and the same time and place, or to such other day, time and place as the Directors appoint by notice to the Members and others entitled to notice of the meeting.

9.5 Adjourned meeting

At a meeting adjourned under article 9.4(b), the quorum is 3 Members present in person or by proxy, attorney or Representative. If a quorum is not present within 30 minutes after the time appointed for the adjourned meeting, the meeting is dissolved.

9.6 Appointment of chairman of general meeting

If the Directors have elected one of their number as chairman of their meetings, that person is entitled to preside as chairman at a general meeting.

9.7 Chairman absent or unable or unwilling to act

- (a) If a general meeting is held and:
- (i) a chairman has not been elected by the Directors; or
 - (ii) the elected chairman is not present within 15 minutes after the time appointed for the holding of the meeting, or is unable or unwilling to act for all or part of the meeting,
- the following may preside as chairman for all or the relevant part of the meeting (in order of precedence):
- (iii) any deputy chairman;
 - (iv) a Director chosen by a majority of the Directors present;
 - (v) the only Director present; or
 - (vi) a Member chosen by a majority of the Members present in person or by proxy, attorney or Representative.
- (b) If the chairman withdraws during part of the proceedings, the nominated person acts as chairman for those proceedings, then withdraws and the chairman resumes as chairman of the meeting.
- (c) If a proxy instrument appoints the chairman of the meeting as proxy for the part of the proceedings for which an acting chairman is nominated, the proxy instrument is taken to be in favour of that acting chairman for the relevant part of the proceedings.

9.8 Conduct of general meetings

The chairman of a general meeting (including any person acting with the authority of the chairman):

- (a) has charge of the general conduct of the meeting and the procedures to be adopted in relation to or at the meeting;
- (b) may take any action the chairman considers appropriate for the safety of persons attending the meeting and the orderly conduct of the meeting;
- (c) may require any person wishing to attend the meeting to comply with searches, restrictions or other security arrangements considered appropriate;
- (d) may refuse entry to, or require security measures be taken in respect of, any person who does not comply with security arrangements, or who possesses a recording or broadcasting device without consent, or who

refuses to comply with a request to turn off a mobile telephone, or other communication, recording or similar device, or who possesses an article considered to be dangerous, offensive or liable to cause disruption, or who was not entitled to notice of the meeting, or who the Chairman has reasonable grounds to believe may behave in a dangerous, offensive or disruptive way;

- (e) if there is insufficient room at a venue used for the meeting, may arrange another or a second or other venue (without giving notice or putting the matter to a vote);
- (f) may require the adoption of any procedure which is in the chairman's opinion necessary or desirable for proper and orderly debate or discussion and the proper and orderly casting or recording of votes at the general meeting;
- (g) may determine that a vote be disregarded and treated as not having been cast (without requiring that the matter be put to a vote), if a person purports to cast a vote at or for the purposes of a general meeting in contravention of the Corporations Act or Listing Rules;
- (h) subject to the Corporations Act, may refuse to allow:
 - (i) any amendment to be moved to a resolution set out in the notice of that meeting or to a document which relates to such a resolution;
 - (ii) any business to be transacted unless the general nature of the business is stated in the notice calling the meeting;
- (i) may decide not to put to the meeting, or withdraw from consideration by the meeting, any resolution that is set out in the notice of that meeting (other than those requisitioned by Members or required by law); and
- (j) subject to the Corporations Act, may impose time limits or terminate discussion or debate on any matter whenever the chairman considers it necessary or desirable for the proper conduct of the meeting.

A decision by the chairman (including any person acting with the chairman's authority) under this article is final.

9.9 Invited attendee

A person requested by the Directors or the chairman to attend a general meeting, is entitled to be present (and if invited by the chairman, to speak) at the meeting, irrespective of whether the person is a Member.

9.10 Adjournment of general meeting

- (a) The chairman of a general meeting may postpone the meeting before it has started, whether or not a quorum is present, if, at the time for the meeting, he or she considers that:
 - (i) there is not enough room for the number of Members who wish to attend the meeting;
 - (ii) a postponement is necessary in light of the behaviour of persons present; or
 - (iii) a postponement is necessary for any other reason so that the business of the meeting can be properly carried out.

- (b) The chairman of a general meeting may at any time during the meeting:
 - (i) adjourn the meeting or any business, motion, question, resolution, debate or discussion being considered or remaining to be considered by the meeting either to a later time at the same meeting or to an adjourned meeting at any time and place; and
 - (ii) for the purpose of allowing any poll to be taken or determined, suspend the proceedings of the meeting for such period or periods as the chairman decides without effecting an adjournment. No business may be transacted and no discussion may take place during any suspension of proceedings unless the chairman otherwise allows.
- (c) In exercising the discretion under article 9.10(a), the chairman need not seek the approval of the Members present in person or by proxy, attorney or Representative.
- (d) Only unfinished business is to be transacted at a meeting resumed after an adjournment.
- (e) Unless required by the chairman, a vote may not be taken or demanded in respect of any adjournment by the Members present in person, by proxy, attorney or Representative, or by means of technology approved by the Directors.

9.11 Notice of adjourned meeting

- (a) Any adjournment or postponement:
 - (i) will be to another time, which may be on the same day as the meeting; and
 - (ii) may be to another place (if any),

and the new time (and place, if any) will be taken to be the time and place for the meeting as if specified in the notice which called the meeting originally.
- (b) Where a meeting is postponed or adjourned, notice of the postponed or adjourned meeting must be given to ASX, but, except as provided in article 9.11(d), need not be given to any other person.
- (c) Where a meeting is postponed or adjourned, the directors may, by notice to ASX, postpone, cancel or change the place of the postponed or adjourned meeting.
- (d) It is not necessary to give any notice of an adjournment or of the business to be transacted at any adjourned meeting unless a meeting is adjourned for 60 days or more. In that case, notice of the adjourned meeting must be given as in the case of an original meeting.

9.12 Questions decided by majority

Subject to the requirements of the Corporations Act, a resolution is taken to be carried if a simple majority of the votes cast on the resolution are in favour of it.

9.13 Chairman has casting vote

If there is an equality of votes on a resolution, the chairman of the general meeting is entitled to a casting vote, in addition to any votes to which the chairman is entitled as a Member or proxy or attorney or Representative.

9.14 Voting on show of hands

Subject to any rules prescribed by the Directors pursuant to article 9.23, at any general meeting a resolution put to the vote of the meeting must be decided on a show of hands unless:

- (a) the chairman decides that a poll will be held without a show of hands; or
- (b) a poll is effectively demanded and the demand is not withdrawn.

A declaration by the chairman that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect made in the book containing the minutes of the proceedings of the Company, is conclusive evidence of the fact. Neither the chairman nor the minutes need state, and it is not necessary to prove, the number or proportion of the votes recorded in favour of or against the resolution.

9.15 Poll

- (a) If a poll is effectively demanded:
 - (i) it must be taken in the manner and at the date and time directed by the chairman and the result of the poll is a resolution of the meeting at which the poll was demanded;
 - (ii) on a question of adjournment, it must be taken immediately;
 - (iii) the demand may be withdrawn with the consent of the chairman;
 - (iv) the demand does not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded; and
 - (v) the result of the poll may be announced in the manner and at the time (whether during the relevant meeting or afterwards) that the chairman considers appropriate.
- (b) A poll cannot be demanded at a general meeting on the election of a chairman of the meeting.

9.16 Entitlement to vote

Subject to this Constitution, the Corporations Act, article 9.25 and any rules prescribed by the Directors pursuant to article 9.23 and to any rights or restrictions for the time being attached to any class or classes of shares:

- (a) on a show of hands, each Member present in person and each other person present as a proxy, attorney or Representative of a Member has one vote (even where the person represents more than one Member); and
- (b) on a poll:
 - (i) each Member present in person has one vote for each fully paid share held by the Member; and

- (ii) each person present as proxy, attorney or Representative of a Member (or Members) has one vote for each fully paid share held by the Member (or Members) that the person represents; and
- (iii) each Member who has duly lodged a valid direct vote in respect of the relevant resolution under article 9.23 has one vote for each fully paid share held by the Member.

A Member is not entitled to vote at a general meeting in respect of shares which are the subject of a current Restriction Agreement for so long as any breach of that agreement by that Member, or any breach of the Listing Rules relating to those shares, subsists.

In this article 9.16 a person is “present” even where attending by means of technology approved by the Directors.

9.17 Voting on a poll for partly paid shares

Subject to article 9.20 and the terms on which shares are issued, if a Member holds partly paid shares, the number of votes the Member has in respect of those shares on a poll or pursuant to a direct vote under article 9.24 will be the number of votes which, as a proportion, the amount paid (not credited) on the share bears to the total amounts paid and payable (excluding amounts credited) on the share. An amount paid in advance of a call is disregarded for this purpose.

9.18 Fractions disregarded for a poll

On the application of article 9.17, any fraction which arises is to be disregarded.

9.19 Joint shareholders’ vote

If a share is held jointly and more than one Member votes in respect of that share, only the vote of the Member whose name appears first in the Register counts.

9.20 Effect of unpaid call

A Member is not entitled at a general meeting to cast a vote attached to a share on which a call or any other amount is due and payable and has not been paid.

9.21 Validity of vote in certain circumstances

- (a) Unless the Company has received written notice of the matter before the start or resumption of the meeting at which a person votes as a proxy, attorney or Representative, a vote cast by that person is valid even if, before the person votes:
 - (i) the appointing Member dies;
 - (ii) the Member is mentally incapacitated;
 - (iii) the Member revokes the appointment or authority;
 - (iv) the Member revokes the authority under which the appointment was made by a third party; or
 - (v) the Member transfers the share in respect of which the appointment or authority was given.

- (b) The parent or guardian of an infant Member may vote at any general meeting upon such evidence being produced of the relationship or of the appointment of the guardian as the Directors may require and any vote so tendered by a parent or guardian of an infant Member must be accepted to the exclusion of the vote of the infant Member.
- (c) If a Member is of unsound mind or is a person who is, or whose estate is, liable to be dealt with in any way under the law relating to mental health, then the Member's committee or trustee or such other person as properly has the management of the Member's estate may exercise any rights of the Member in relation to a general meeting as if the committee, trustee or other person were the Member.

9.22 Objection to voting qualification

An objection to the right of a person to attend or vote at the meeting or adjourned meeting:

- (a) may not be raised except at that meeting or adjourned meeting, or where the objection relates to a specific vote, before or immediately after the vote is declared; and
- (b) must be referred to the chairman of the meeting, whose decision is final.

A vote not disallowed under the objection is valid for all purposes.

9.23 Direct voting

The Directors may determine that at any general meeting or class meeting, a Member who is entitled to attend and vote on a resolution at that meeting (or where approved by the Directors, an attorney, proxy or Representative appointed by such a Member) is entitled to a direct vote in respect of that resolution. A "direct vote" includes a vote delivered to the Company by post or electronic means approved by the Directors. The Directors may prescribe rules to govern direct voting including specifications as to the form, method and timing of giving the direct vote in order for the vote to be valid, and the treatment of direct votes.

9.24 Treatment of direct votes

Subject to any rules prescribed by the Directors under article 9.23, a direct vote on a resolution at a meeting in respect of a share cast in accordance with article 9.23 is of no effect and will be disregarded:

- (a) if, at the time of the resolution, the person who cast the direct vote:
 - (i) is not entitled to vote on the resolution in respect of the share; or
 - (ii) would not be entitled to vote on the resolution in respect of the share if the person were present at the meeting at which the resolution is considered;
- (b) if, had the vote been cast in person at the meeting at which the resolution is considered:
 - (i) the vote would not be valid; or
 - (ii) the Company would be obliged to disregard the vote; or
- (c) if the direct vote was cast otherwise than in accordance with any regulations, rules and procedures prescribed by the Directors under article 9.23.

9.25 Treatment of direct votes where person attends

Subject to any rules prescribed by the Directors under article 9.23, where:

- (a) a direct vote is cast on a resolution at a meeting in respect of a share in accordance with article 9.23; and
- (b) either:
 - (i) the Member who is registered in respect of the share(s) for which the direct vote was cast; or
 - (ii) if not that Member, the person who cast the direct vote on behalf of that Member,

is present in person at the meeting at the time the resolution is considered (including in the case of a body corporate, by Representative),

then the direct vote will be disregarded unless the Member or other person instructs otherwise.

9.26 Multiple votes

Subject to any rules prescribed by the Directors under article 9.23, if the Company receives a valid direct vote on a resolution and after receipt of the direct vote:

- (a) the Company receives an instrument appointing a proxy, attorney or Representative to vote on behalf of the same Member on that resolution; or
- (b) the Company receives a further direct vote from the same Member on that resolution,

the Company may disregard that direct vote and may regard the later-received instrument or direct vote as effective in respect of that resolution.

10 The Directors

10.1 Number of Directors

Unless otherwise determined by the Company in general meeting:

- (a) the minimum number of Directors will be 3; and
- (b) the maximum number of Directors will be 11, or any other number determined by the Directors in accordance with the Corporations Act and subject to article 10.2.

10.2 Change of number of Directors

Subject to the Corporations Act, the Company in general meeting may by ordinary resolution increase or reduce the number of Directors (including to approve a Board limit proposed by the Directors) provided that the maximum number must not be less than the number of Directors in office at the time that it takes effect.

10.3 Retirement and election of Directors

- (a) A Director must not hold office without re-election:
- (i) past the third annual general meeting following the Director's appointment or last election; or
 - (ii) for more than 3 years,
- whichever is the longer.
- (b) There must be an election of Directors at each annual general meeting of the Company. This can be satisfied by one or more of the following, so long as the number of Directors determined in accordance with article 10.1 is not exceeded:
- (i) a person standing for election as a new Director in accordance with articles 10.5 or 10.6;
 - (ii) any Director who was appointed under article 10.7 standing for election as a Director;
 - (iii) any Director who is retiring at the end of the annual general meeting due to the tenure limitation in article 10.3(a), standing for re-election; or
 - (iv) if no person or Director is standing for election or re-election in accordance with paragraphs (i), (ii) or (iii), any Director who wishes to retire and stand for re-election. Otherwise, the person who has been a Director the longest without re-election must retire and stand for re-election. If 2 or more Directors have been a Director the longest and an equal time without re-election, then in default of agreement, the Director to retire will be determined by ballot.
- (c) Paragraph (b) does not require a Director to retire and stand for re-election, or relieve a Director from retiring and standing for re-election, because of a change in the number or identity of the Directors after the date of the notice of meeting but before the meeting closes.
- (d) This article 10.3 does not apply to one Managing Director who is exempt from retirement and re-election in accordance with article 11.10.

10.4 Office held until conclusion of meeting

A retiring Director holds office until the conclusion of the meeting at which that Director retires but is eligible for re-election.

10.5 Director elected at general meeting

The Company may, at a general meeting at which a Director retires or otherwise vacates office, by resolution fill the vacated office by electing a person to that office.

10.6 Eligibility for election as Director

- (a) Except for:
- (i) a person who is eligible for election or re-election under articles 10.3 or 10.7; or

- (ii) a person recommended for election by the Directors,

a person is not eligible for election as a Director at a general meeting of the Company unless a consent to nomination signed by the person has been lodged at the Registered Office at least 45 business days before the meeting, but no more than 90 business days before the meeting.

- (b) A Director is not required to hold any shares in the Company to qualify for appointment.
- (c) An auditor of the Company, or a partner, employee or employer of an auditor of the Company, may not be appointed or elected as Director.

10.7 Casual vacancy or additional Director

- (a) The Directors may at any time appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors, provided the total number of Directors does not exceed the maximum number specified in article 10.1.
- (b) Subject to article 10.7(c), a Director appointed under this article holds office until the conclusion of the next annual general meeting of the Company but is eligible for election at that meeting.
- (c) Article 10.7(b) does not apply to one Managing Director nominated by the Directors under article 11.10.

10.8 Remuneration of Directors

Subject to the Listing Rules and applicable law, the Directors are to be remunerated for their services as Directors as follows:

- (a) the amount of the remuneration of the Directors is a yearly sum not exceeding the sum from time to time determined by the Company in general meeting. The notice convening the meeting must include any proposal to increase the Directors' remuneration and specify both the amount of any increase and the new yearly sum proposed for determination;
- (b) the amount of the remuneration of the Directors is to be divided among them in the proportion and manner they agree or, in default of agreement, among them equally;
- (c) the remuneration is to be provided wholly in cash unless the Directors, with the agreement of the Director concerned, determine that part is to be satisfied in the form of non-cash benefits, including the issue or purchase of shares in the Company or the grant of options or rights to subscribe for such shares;
- (d) the sum determined by the Company in general meeting under article 10.8(a) does not include:
 - (i) remuneration in the form of share, option or other equity plans approved separately by the Company in general meeting;
 - (ii) payments or remuneration for additional special duties under article 10.10 (unless otherwise determined);
 - (iii) payment or reimbursement of expenses under article 10.11 or
 - (iv) payments under article 20;

- (e) in making a determination under paragraph (c), the Directors may fix the value of any non-cash benefit; and
- (f) the Directors' remuneration accrues from day to day, except for any non-cash benefit which is taken to accrue at the time the benefit is provided, subject to the terms on which the benefit is provided.

This article 10.8 does not apply to the remuneration of the Managing Director or any other Director appointed under article 11.8.

The remuneration of a Director (other than a Managing Director or any other Director appointed under article 11.8) must not include a commission or a percentage of profits or operating revenue.

10.9 Superannuation contributions

If required by law, the Company may make contributions to a fund for the purpose of making provision for or obtaining superannuation benefits for a Director.

If required by the Listing Rules, these contributions are included in the sum determined by the Company in general meeting under article 10.8(a).

10.10 Additional or special duties

If a Director at the request of the Directors performs additional or special duties for the Company (including as an officer of the Company or related body corporate, other than as a Director), the Company may remunerate that Director as determined by the Directors and that remuneration may be either in addition to or in substitution for that Director's remuneration under article 10.8.

10.11 Expenses

A Director is entitled to be reimbursed out of the funds of the Company such travelling, accommodation and other expenses as the Director may incur when travelling to or from meetings of the Directors or a Committee or when otherwise engaged on the business of the Company.

10.12 Director's interests

Subject to complying with the Corporations Act regarding disclosure of and voting on matters involving material personal interests, a Director may:

- (g) participate in, vote on and be counted in a quorum for any meeting, resolution or decision of the Directors and may be present at any meeting where any matter is being considered by the Directors;

- (i) do any of the above despite the fiduciary relationship of the Director's office:
 - (i) without any liability to account to the Company for any direct or indirect benefit accruing to the Director; and
 - (ii) without affecting the validity of any contract or arrangement;
- (j) exercise the voting power conferred by securities in any entity held by the Company, in accordance with the terms of their appointment, even in circumstances where a Director may be interested in the exercise (such as a resolution appointing a Director as an officer of the entity or providing for the payment of remuneration to officers of the entity); and
- (k) act as a nominee or representative of a Member of the Company.

A reference to the Company in this article 10.12 is also a reference to each related body corporate of the Company.

The Directors may make regulations in relation to the disclosure of interests and other matters described in this article 10.12.

10.13 Vacation of office of Director

In addition to the circumstances in which the office of a Director becomes vacant under the Corporations Act, the office of a Director becomes vacant (unless the Board determines otherwise) if the Director:

- (a) is a Managing or Executive Director and ceases to be employed by the Company or a related body corporate;

- (e) is convicted of an indictable offence, provided the Directors do not resolve to confirm the Directors' appointment or election within one month after that conviction;

15 Inspection of records

15.1 Inspection by Members

Subject to the Corporations Act, the Directors may determine whether, to what extent, at what time and places, and under what conditions, the accounting records and other documents of the Company or any of them will be open to the inspection of Members (other than Directors).

15.2 Right of a Member or other person to inspect

A Member or other person (other than a Director) does not have the right to inspect any document of the Company except as provided by law or this Constitution, or authorised by the Directors or by the Company in general meeting.

16 Dividends and reserves

16.1 Payment of dividend

- (a) Subject to the Corporations Act, this Constitution and the terms of issue or rights of any shares with special rights to dividends, the Directors may determine or declare that a dividend is payable, fix the amount and the time for payment and authorise the payment or crediting by the Company to, or at the direction of, each Member entitled to that dividend. The Directors may rescind or alter any such determination or declaration before payment is made.
- (b) Paying a dividend does not require confirmation at a general meeting.
- (c) The Directors may, before paying any dividend to Members:
 - (i) set aside any sums as it thinks proper as a reserve, which at the discretion of the Directors may be applied for any purpose it decides, including being used in the business of the Company or invested in investments selected by the Directors (and the Directors may vary and deal with those investments as it decides);
 - (ii) carry forward any amount which the Directors decide not to distribute or to transfer to a reserve; or
 - (iii) carry out the steps in both articles 16.1(c)(i) and 16.1(c)(ii).

16.2 No interest on dividends

Interest is not payable by the Company on a dividend.

16.3 Calculation and apportionment of dividends

Subject to the rights of any persons entitled to shares with special rights as to dividend and to the terms of issue of any shares to the contrary, all sums that the Company determines are to be distributed among the Members as dividends are divisible among the Members so that, on each occasion on which a dividend is paid:

- (a) the same sum is paid on each fully paid share; and

- (b) the sum paid on a share on which all amounts payable have not been paid is the proportion of the sum referred to in article 16.3(a) that the amount paid on the shares bears to the total of the amounts paid and payable on the share.

To determine the amount paid on a share, exclude any amount:

- (c) paid or credited as paid in advance of a call; and
- (d) credited as paid on a share to the extent that it exceeds the value (ascertained at the time of issue of the share) of the consideration received for the issue of the share.

All dividends are to be apportioned and paid proportionately to the amounts paid on the shares during any portion or portions of the period for which the dividend is paid, but, if any share is issued on terms providing that it will rank for dividend as from a particular date, that share ranks for dividend accordingly.

16.4 Deductions from dividends

The Directors may retain from any dividend payable to, or at the direction of, a Member any amount presently payable by that Member to the Company on account of calls or otherwise in relation to shares in the Company, and apply the amount retained to the amount owing.

16.5 Distribution of specific assets

When resolving to pay a dividend or to return capital by a reduction of capital, a buy-back or otherwise, the Directors may:

- (a) direct payment of the dividend or return of capital from any available source permitted by law; and
- (b) resolve that the dividend or return of capital be satisfied either wholly or partly by the distribution of specific assets to some or all of the persons entitled to the dividend or return of capital, including shares, debentures or other securities of the Company or any other body corporate or trust;
- (c) direct that the dividend or return of capital payable in respect of any particular shares be satisfied wholly or partly by such distribution, and that the dividend or return of capital payable in respect of other shares be paid in cash; and
- (d) unless prevented by the Listing Rules, direct payment to particular Members wholly or partly out of any particular fund or reserve or out of profits derived from any particular source, and to the other Members wholly or partly out of any other particular fund or reserve or out of profits derived from any other particular source.

16.6 Ancillary powers regarding distributions

- (a) In relation to any decision to pay a dividend or to return capital by a reduction of capital, buy-back or otherwise, the Directors may:
 - (i) settle any difficulty that arises in making the distribution as they think expedient and, in particular:
 - (A) make cash payments in cases where Members are entitled to fractions of shares, debentures or other securities;

- (B) decide that amounts or fractions of less than a particular value decided by the Directors may be disregarded in order to adjust the rights of all parties;
 - (C) withhold assets, cash, shares, debentures or other securities where the Company is required to make a payment in respect of the Member to a government or taxing authority in relation to the distribution or issue; and
 - (D) decide to make distributions by disregarding transfers of shares or aggregating parcels of shares where they form the opinion that shareholdings have been split or aggregated to obtain the benefit of rounding on fractions of shares;
 - (E) for an electronic transfer, if no account is nominated, or payment is rejected or refunded, the Company may credit the amount to an account of the Company until the Member nominates a valid account, or the amount is otherwise dealt with under article 16.11;
- (ii) fix the value for distribution of any specific assets;
 - (iii) pay cash or issue shares, debentures or other securities to any Member in order to adjust the rights of all parties;
 - (iv) vest any of those specific assets, cash, shares, debentures or other securities in a trustee or nominee on trust for the persons entitled to the distribution or capitalised amount, on any terms that seem expedient to the Directors; and
 - (v) authorise any person to make, on behalf of the Members, or a particular Member, entitled to any specific assets, cash, shares, debentures or other securities as a result of the decision, an agreement (including in writing) with the Company or another person which provides, as appropriate, for the distribution or issue to them of the assets, cash, shares, debentures or other securities and by applying to them their respective proportions of the amount resolved to be distributed.
- (b) Any agreement made under an authority referred to in article 16.6(a)(v) is effective and binds all Members concerned.
 - (c) Instead of making a distribution or issue of specific assets, shares, debentures or other securities to a particular Member, the Directors may make a cash payment to that Member or allocate some or all of the assets, shares, debentures or other securities to a trustee to be sold on behalf of, and for the benefit of, or in respect of, that Member, if:
 - (i) the distribution or issue would otherwise be illegal or unlawful;
 - (ii) the distribution or issue would give rise to parcels of securities which do not constitute a marketable parcel;
 - (iii) in the Directors' discretion, the distribution or issue would, for any reason, be impracticable; or
 - (iv) the Member so agrees.

- (d) If the Company distributes to Members (either generally or to specific Members) shares, debentures or securities of the Company or another body corporate or trust (whether as a dividend or return of capital or otherwise and whether or not for value), each of those Members appoints the Company, and any officer of the Company nominated on their behalf by the Directors, as his or her agent or attorney to do anything needed or desirable to give effect, or assist in giving effect, to that distribution, including agreeing to become a member, holder of shares, holder of debentures or holder of securities of the Company or that other body corporate or trust.

16.7 Payments in respect of shares

A dividend, distribution, interest or other money payable in cash in respect of shares may be paid using any payment method chosen by the Directors in their discretion, including:

- (a) by means of a direct credit or other means determined by the Directors to an account (of a type approved by the Directors) as provided in writing by the holder or holders shown on the Register; or
- (b) by cheque sent through the post directed to the address in the Register of the holder or, in the case of joint holders, to the address of the joint holder first named in the Register or to such other address as the holder or joint holder directs in writing (in which case payment will be deemed to have been made to the joint holders in full).

Payment of money is at the risk of the holder or holders to whom it is sent.

16.8 Effectual receipt from one joint holder

Any one of 2 or more joint holders may give an effectual receipt for any dividend, interest or other money payable in respect of the shares held by them as joint holders.

16.9 Election to reinvest dividend

Subject to the Listing Rules, the Directors may grant to Members or any class of Members the right to elect to reinvest cash dividends paid by the Company (or any other amount due to Members) by subscribing for or otherwise acquiring securities in the Company or a related body corporate on such terms and conditions as the Directors think fit.

16.10 Elections in respect of dividends or other distributions

Subject to the Listing Rules, the Directors may determine for any dividend or other distribution which it is proposed to pay on any shares of the Company that holders of the shares may elect:

- (a) to receive a dividend or distribution paid wholly or partly out of any available source, including any particular fund or reserve, or out of profits derived from a particular source; or

 - (ii) deal with any unclaimed amount as they think fit for the benefit of the Company,
- until claimed, or until required to be dealt with in accordance with any law related to unclaimed money; and

 - (iv) may determine other rules to give effect to it; and
 - (v) may delegate their powers under it to any person.

- (b) The Directors may, at any time, send to a Member a request for information in a form approved by the Directors which requires the Member to inform the Directors whether the Member is aware that an Unacceptable Individual Foreign Ownership Situation exists in relation to any shares held by that Member, or in relation to any person who has an interest in shares registered in the name of the Member (and if so, the name of the relevant Foreign Person and the shares in which that person has an interest), and the Member must comply with the request.

23.5 Directors' power to dispose of shares if Unacceptable Foreign Ownership Situation

- (c) To the fullest extent permitted by law, the Directors shall be under no liability to the Company or any Member, and the Company shall be under no liability to any Member, for any loss or disadvantage incurred by a Member as a result, whether directly or indirectly, of the Directors exercising the powers provided by this article 23 or those powers set out in the Foreign Ownership Regulations from time to time.
- (d) Any resolution, determination or decision to exercise any discretion or power by the Directors under this article 23 and the Foreign Ownership Regulations shall be final and conclusive and may be made or exercised by the Directors at their discretion including, without limitation, a decision to sell shares under article 23.5(a).

The Directors may delegate any of their powers under this article 23, other than the powers set out in article 23.2, to any person. The provisions of this article 23 apply to each person to whom the Directors have delegated a power under this article 23 as if a reference to the Directors included a reference to that person.

2 Entitlement to payment of capital sum

- (a) Each preference share confers on its holder the right in a winding up or on a redemption to payment of:

6 Foreign Currency

Where any amount is payable by the Company to the holder of a preference share in a currency other than Australian dollars, and the amount is not paid when due or the Company has commenced winding up, the holder may give notice to the Company requiring payment of an amount in Australian dollars equal to the foreign currency amount calculated by applying the reference rate on the date of payment for the sale of the currency in which the payment is to be made for Australian dollars. Reference rate means the rate applicable in the market and at the time determined by the Directors before allotment of those preference shares and specified in the terms of issue for those preference shares.

 - (ii) ranks equally with other fully paid ordinary shares on issue,

however, the terms of issue of the preference share may provide otherwise including for the issue of additional ordinary shares on conversion as determined by the Directors; and

- (b) the conversion does not constitute a cancellation, redemption or termination of the preference share or the issue, allotment or creation of new shares, but has the effect of varying the status of, and the rights attaching to, the preference share so that it becomes an ordinary share.

8 Amendment to the terms

Subject to complying with all applicable laws, the Company may, without the consent of preference shareholders, amend or add to the terms of the preference shares if, in the opinion of the Company, the amendment or addition is:

Subject to the Listing Rules, a preference shareholder must not transfer (and the Directors must not register a transfer of) a preference share if it would contravene any restrictions set out in the share terms.
