

Critical Information Summary

This summary does not reflect any discounts or promotions which may apply from time to time.

Microsoft Azure Information Protection

Information about the service

Your plan is for a Azure Information Protection Application which is available through the Telstra Apps Marketplace.

Azure Information Protection Plan P1 provides additional rights to use the on-premises connectors, tracks and revoke shared documents, and enable users to manually classify and label documents.

Azure Information Protection Premium P2 Builds on Azure Information Protection Premium P1 with automated classification, labelling, and protection, with policy-based rules and Hold Your Own Key (HYOK) configurations that span Azure RMS and Active Directory RMS.

Telstra Apps Marketplace

The Telstra Apps Marketplace is a web-based marketplace that enables you to purchase and manage various software applications that we make available from time to time. You need an internet connection to access the Telstra Apps Marketplace. To start using the Telstra Apps Marketplace, visit marketplace.telstra.com and create an account. You may need to meet minimum system requirements to use certain applications available on the marketplace, which will be set out on marketplace.telstra.com and Our Customer Terms. You're responsible for ensuring that you meet these requirements.

Minimum Term

Minimum Term Casual. There is no fixed or minimum term but you need to give us 30 days notice to cancel your Microsoft® Azure Information Protection Plan P1 and Azure Information Protection Plan P2.
