- (a) you give us notice of the Failure immediately upon becoming aware of the Failure; and
 - (b) you request the Service Credit in respect of the Failure within 5 business days of its occurrence.
- 5.7 Any such notice or request must be made in the manner, and include the information, advised by us from time to time.

- 5.13 For each incident, Service Credits for Your Agreement may only be calculated under one Service Level. In instances where there are multiple Services Levels for Your Agreement that have been impacted, the Service Credits payable to you shall be calculated using the regime which generates the greatest Service Credit payable to you, and only that Service Credit will be payable and no other additional Service Credits will be payable regardless of the total number of Failures arising from that incident.

Notification

- 5.14 We will or our Facility Provider will, once we are aware of the incident and as soon as is reasonably practicable in the circumstances, notify you of any incident relating to the Facility where there is a material risk to your authorised personnel or Your Equipment, or your authorised personnel, or Your Equipment has been damaged or your authorised personnel hurt.
