- (b) take up a Bundle or move to a Bundle that is available to new customers;

International and roaming calls, calls to satellite mobiles and diverted calls are not included. If you have an Ultimate Plan, New Ultimate Plan or Ultimate II Plan, calls from your mobile service are not included. Your Telstra post-paid mobile services must have a 13 digit account number.

1.2 The Family Calls Benefit will be applied once all the services in your Bundle are activated. Until such time standard charges will apply.

We consider it unreasonable where you use Family Calls Benefit fraudulently or in a manner that causes significant network congestion. Fraudulent use of Family Calls Benefit includes resupplying our service without our consent, so that someone else can take advantage of the Family Calls Benefit;
- (c) if you are in breach of this policy, we will tell you by writing to you, telephoning you or sending you a text message. If you do not follow this policy (or fix the breach) within 30 days of us telling you, we can cancel your Family Calls Benefit and standard charges will apply for those calls.
