

Customer Service Advice from Telstra

Delay due to severe weather events in the Wide Bay and Burnett District and parts of the Southeast Coast District of Queensland.

The Wide Bay and Burnett District and parts of the Southeast Coast District of Queensland were impacted by severe weather on or about Friday 7 January 2022 through to Sunday 9 January 2022.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. As many as 800 Telstra services are impacted in the area bounded by and including, but not limited to, the area starting at Springs Beach following the coastline south past Bundaberg, Hervey Bay and Noosa Heads to Pelican Waters. From Pelican Waters the area heads west to Bellthorpe, northwest to Bella Creek, and southwest to Colinton then west to Kooralgin. The area turns northwest past Durong and Monogorilby to Cracow, northeast to Rawbelle, southeast to Wonbah and northwest to Boyne Valley then northeast back to Springs Beach. All suburbs and towns, off shore islands and coastal areas serviced by Telstra within these boundaries are encompassed.
