

## Customer Service Guarantee Exemption Advice – 20240205-NT-S-C-I-DALY AND CARPENTARIA DISTRICTS EXT

We've previously advised of an interruption to Telstra's normal operations, due to parts of the Darwin metropolitan, Daly–Tiwi–West Arnhem and Katherine regions for Northern Territory was impacted by the continued effects of Tropical Low O2U cyclone resulting in heavy rainfall, flash flooding and road closures between 3<sup>rd</sup> February 2024 to 5<sup>th</sup> February 2024.

We are continuing to experience ongoing delays in installation and repair activities due to this event. We estimate that as many as 70 Telstra services may be impacted.

Services in the area mentioned above with phone numbers in the following number ranges may have been affected:

- 08 7978 2000 To 08 7978 9999
- 08 8920 0000 To 08 8953 1799
- 08 8963 5000 To 08 8999 9999

### How will this affect you?

We anticipate that most services will be restored by 29<sup>th</sup> March 2024. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

### What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 5<sup>th</sup> February 2024 to 29<sup>th</sup> March 2024 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
