

Customer Service Guarantee Exemption Advice – 20240405-QLD-E-C-I-MARANOA WARREGO AND CHANNEL COUNTRY

Parts of the Roma-Miles, Charleville and St George regions of Queensland were impacted by severe thunderstorms, resulting in heavy rainfall, localised flooding caused by overflowing rivers and road closures from 05th April 2024 to 07th April 2024.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 117 Telstra services may be impacted.

Services in the area mentioned above with phone numbers in the following number ranges may have been affected:

- 07 4527 5000 To 07 4527 5999
- 07 4558 0000 To 07 4579 9999
- 07 4593 2000 To 07 4596 7999
- 07 4620 1000 To 07 4629 9999
- 07 4646 8000 To 07 4693 0199

How will this affect you?

We anticipate that most services will be restored by 10th May 2024. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 05th April 2024 to 10th May 2024 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
