

Customer Service Guarantee Exemption Advice – 20240712-TAS-S-C-I-TASMANIA DISTRICTS

Parts of the Bass, Braddon, Clark, Franklin and Lyons Government districts for Tasmania were impacted by severe storms with heavy rainfall resulting in strong winds, localised flooding, fallen trees and road closures between 12th July 2024 to 16th July 2024.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 233 Telstra services may be impacted.

Services in the area mentioned above with phone numbers in the following number ranges may have been affected:

- 03 6208 0000 **To** 03 6298 9999
- 03 6323 0000 **To** 03 6399 9999
- 03 6420 0000 **To** 03 6475 9999
- 03 6490 0000 **To** 03 6498 9999

How will this affect you?

We anticipate that most services will be restored by 8th August 2024. We’re sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we’re claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 12th July 2024 to 8th August 2024 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
