How will this affect you?

We anticipate that most services will be restored by 12th September 2024. We’re sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we’re claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 12th August 2024 to 12th September 2024 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
