

Customer Service Guarantee Exemption Advice – 20241202-TAS-S-C-I-TASMANIA DISTRICTS

Hobart and the King Island and Furneaux Island districts for Tasmania were impacted by extreme heavy rain, flash flooding, hazardous winds and lightning, resulting in localised flooding and road closures between 30th November 2024 to 03rd December 2024.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 59 Telstra services may be impacted.

Services in the area mentioned above with phone numbers in the following number ranges may have been affected:

- 03 6162 5000 To 03 6162 9999
- 03 6208 0000 To 03 6298 9999
- 03 6359 0000 To 03 6359 9999
- 03 6461 0000 To 03 6463 9999

How will this affect you?

We anticipate that most services will be restored by 20th December 2024. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 02nd December 2024 to 20th December 2024 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
