

Customer Service Guarantee Exemption Advice – 20241212-QLD-E-C-I-NORTH TROPICAL COAST AND TABLELANDS

Parts of the Atherton, Cairns Coast and Georgetown Radio Districts for Queensland were impacted by severe thunderstorms resulting in heavy rainfall exceeding the 10 Year average and cloud to ground lightning strikes between 12th December 2024 to 13th December 2024.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 249 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 07 4030 0000 **To** 07 4098 5199
- 07 4232 1000 **To** 07 4232 9999
- 07 4245 8000 **To** 07 4258 6999
- 07 4280 5000 **To** 07 4281 9999
- 07 4299 0000 **To** 07 4299 8999

How will this affect you?

We anticipate that most services will be restored by 31st January 2024. We’re sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we’re claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 12th December 2024 to 31st January 2024 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [**Australian Government, Federal Register of Legislation**](#) website.

What’s next?

You don’t need to do anything. We’re doing all we can to return to normal operating standards.

To request a copy of the CSG exemption notice, or, for any questions about your service, the CSG exemption, or to ask us to reconsider whether the circumstances are a proper basis for claiming the exemption, please call 132200.

To report a service disruption or fault, please call 132203.

If you're not satisfied with this exemption or our approach to your request, you can contact the Telecommunications Industry Ombudsman.
