Parts of the Mossman George and Cooktown Districts for Queensland were impacted by severe thunderstorms resulting in heavy rainfall exceeding the 10 Year average and cloud to ground lightning strikes between 19th December 2024 to 21st December 2024.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 46 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 07 4030 4000 **To** 07 4030 4999
- 07 4041 0400 **To** 07 4069 6999

How will this affect you?

We anticipate that most services will be restored by 31st January 2025. We’re sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we’re claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 19th December 2024 to 31st January 2025 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [**Australian Government, Federal Register of Legislation**](#) website.
