

Customer Service Guarantee Exemption Advice – 20250113-TAS-S-C-I-NORTH WEST DISTRICT

Parts of the Break O’Day Council area, the Dorset Council area, the Flinders Council area, the George Town Council area, the City of Launceston, the Meander Valley Council area, the Northern Midlands Council area and the West Tamar Council area for Tasmania were impacted by severe storms resulting in heavy rainfall exceeding the 10 Year average, flash flooding and road closures between 13th January 2025 to 16th January 2025.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 109 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 03 6255 2000 To 03 6257 9999
- 03 6323 0000 To 03 6399 9999

- 03 6471 0000 To 03 6475 9999
- 03 6490 0000 To 03 6498 9999

How will this affect you?

We anticipate that most services will be restored by 11th February 2025. We’re sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we’re claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 13th January 2025 to 11th February 2025 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
