

Customer Service Guarantee Exemption Advice – 20250113-WA-S-C-I-PILBARA DISTRICT

The Marble Bar and De Grey area for Western Australia was impacted by severe storms resulting in heavy rainfall exceeding the 10 Year average, localised flooding and road closures between 13th January 2025 to 15th January 2025.

An interruption to Telstra's normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 10 Telstra services may be impacted.

Services in the area mentioned above with phone numbers in the following number ranges may have been affected:

- 08 9140 1100 To 08 9154 6999
- 08 9172 3900 To 08 9178 8999

How will this affect you?

We anticipate that most services will be restored by 11th February 2025. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 13th January 2025 to 11th February 2025 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
