

Customer Service Guarantee Exemption Advice – 20250204-QLD-E-C-I- LONGREACH AND MT ISA

Parts of the Longreach, Mt Isa and Mt Isa Remote Regions for Queensland were impacted by a tropical low resulting in flash flooding and road closures between 4th February 2025 to 5th February 2025.

An interruption to Telstra’s normal operations has occurred leading to delays in installation and repair activities. We estimate that as many as 28 Telstra services may be impacted.

Services in the areas mentioned above with phone numbers in the following number ranges may have been affected:

- 07 4437 0000 To 07 4442 7999
- 07 4563 9000 To 07 4569 9999

How will this affect you?

We anticipate that most services will be restored by 7th March 2025. We’re sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we’re claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 4th February 2025 to 7th March 2025 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
